

_____, 2019

Dear Mr./Ms. _____,

Nephila Web Technology Inc., a Moodle certified services provider in the Philippines cordially invites you to join and participate in the forthcoming Moodle conference in the Philippines slated on **May 8-10, 2019 at the University of the Philippines, Diliman - Asian Center.**

The event entitled **MoodleMoot Philippines 2019** with its mission “**Empowering Educators to Improve our World**” aims to:

1. Bring together the Moodle community of practitioners and users such as educators, administrators, developers and technology researchers to share experiences, exchange research achievements and innovative developments on using Moodle Learning Management System (LMS).
2. To showcase the latest educational research and development related to Moodle LMS.
3. To facilitate forum, debate, networking and professional development opportunities.

Dr. Martin Dougiamas, CEO, founder and the lead developer of Moodle Learning Management System (LMS), will be flying all the way from Moodle headquarters in Perth, Australia to deliver his keynote talk on the event. The event is **highly endorsed by the Commission on Higher Education (CHED)**, and we are closely collaborating with the **Department of Education (DepEd)** and the **Philippine Regulations Commission (PRC)**.

Full details of the event can be found at the official MoodleMoot website at <https://mootph19.nephilaweb.com.ph>

Please do register soon via <http://mootregistration.nephilaweb.com.ph> Registration fee for members of the corporate is P8,500.00 only and for members of the academe is P7,000.00 only, inclusive of 3-day passes and meals.

We hope to see you all at MootPH19. Together let us work toward the fulfillment of the Moodle Mission in “Empowering Educators to Improve Our World.”

Sincerely yours,

Ms. Sheryl R. Villaroman
